GENERAL ALLEGATIONS

ClaimSolution, Inc.

6. Plaintiff ClaimSolution, Inc. (“CS”) is in the business of insurance claims processing, and insurance claims administration.

7. CS provides insurance claims processing and administration services in connection with both commercial and personal lines of business. CS offers adjusting and appraisal services for insurance companies, fleet and self-insured entities.

8. CS has been operating in the insurance business since 1995 and has over 40 offices nationwide.

9. CS is the owner of the United States trademark CLAIMSOLUTION, Registration No. 3,324,297, registered October 30, 2007. CS began using the trademark CLAIMSOLUTION, in interstate commerce at least as early as January 1, 1999 in association with the sale of insurance claims processing and insurance claims administration services. The CLAIMSOLUTION trademark is live and enforceable, and meets the requirements of 15 U.S.C. §§ 1058 and 1065.

10. CS currently and continuously uses the trademark CLAIMSOLUTION in association with the registered goods and services in nationwide commerce and claims an actionable and protectable interest in the trademark. Substantial amounts of time, effort, and

money have been expended over the years by CS to ensure that the consuming public associates the CLAIMSOLUTION trademark exclusively with CS.

11. As a result of the care and skill exercised by CS in the sale of its services to consumers, the close supervision and control exercised by CS over the nature and quality of the services offered under the CLAIMSOLUTION trademark, and extensive advertising, sale, and public acceptance thereof, the CLAIMSOLUTION trademark has acquired immense goodwill throughout the United States and within this judicial district. As a result of its reputation for excellence, CS enjoys a substantial demand for its services.

Claim Solutions, LLC

12. Defendant Claim Solutions, LLC. is in the business of insurance claims processing and insurance claims administration.

13. Defendant represents insured individuals and companies with processing claims with their respective insurance company. In connection with this representation, Defendant offers both insurance adjusting and appraisal services. Defendant's resulting claims adjustments and appraisals are used for the benefit of the insured and against the insured's insurance carrier.

14. On information and belief, Defendant offers its services throughout the Kansas City metropolitan area.

15. Defendant markets, showcases, advertises and promotes itself to the public as "Claim Solutions"

16. "Claim Solutions" is confusingly similar to CS's registered trademark CLAIMSOLUTION.

17. The similarity has and will cause market confusion. Customers of CS have been confused into believing that Defendant is associated with CS.

18. Since CS represents insurers in the claims process, while Defendant represents the insured in the claims process, CS's customers have and will be misled into believing that CS represents both sides of the transaction.

19. This confusion has resulted in CS's customers, which consist of insurance carriers, to withhold business from CS believing that CS operates a side business representing insured parties in claims against their respective insurance carriers.

20. At no time was Defendant authorized or given permission by CS to use its trademark.

21. On or about June 23, 2016, CS sent a letter notifying Defendant that it was infringing on CS's registered trademark. CS demanded that Defendant cease any further use of the registered trademark. Specifically, CS demanded that Defendant cease use of the name "Claim Solutions" and any other confusingly similar marks in connection with its insurance claims processing and adjustment business.

22. Defendant failed to comply and refused to stop its infringement on CS's registered trademark. Defendant continues to use "Claim Solutions" in connection with its insurance claims processing and adjustment business.

COUNT I

TRADEMARK INFRINGEMENT UNDER THE LANHAM ACT 15 U.S.C. §1114(1)(A)

23. CS incorporates the allegations in the preceding paragraphs of this Complaint.

24. CS is the owner of the trademark registration for CLAIMSLOUTION, issued by the United States Patent and Trademark Office on October 30, 2007.

25. CS began using the trademark CLAIMSOLUTION, in interstate commerce at least as early as January 1, 1999 in association with the sale of insurance claims processing and insurance claims administration services.

26. Defendant has continuously marketed, showcased, advertised and promoted its insurance and appraisal services to the public using CS's registered trademark and without CS's authorization.

27. The unauthorized use of CS's registered trademark constitutes statutory trademark infringement under 15 U.S.C. § 1114(1)(a), as well as unfair competition.

28. Defendant has continued its infringement despite the constructive notice offered to a registered trademark under 15 U.S.C. § 1072, and actual notice by the letter it received from CS on June 23, 2016 notifying Defendant of the infringement of CS's registered trademark.

29. Defendant's unlawful conduct described above creates, and, unless enjoined by the Court will continue to cause confusion and mistake in the marketplace as to the source, endorsement, or sponsorship of Defendant's services and products, and the relationship or affiliation between Defendant and CS.

30. The goodwill and reputation of CS's business in connection with the CLAIMSOLUTION trademark is of significant value, and CS will suffer irreparable injury should this Court allow Defendant's infringement to continue to the detriment of CS's trade reputation and goodwill.

COUNT II

COMMON LAW TRADEMARK INFRINGEMENT AND UNFAIR COMPETITION

31. CS incorporates the allegations in the preceding paragraphs of this Complaint.

32. CS began using the trademark CLAIMSOLUTION, in interstate commerce at least as early as January 1, 1999 in association with the sale of insurance claims processing and insurance claims administration services.

33. CS currently and continuously uses in commerce the trademark CLAIMSOLUTION to identify itself in the insurance marketplace.

34. The wrongful and unauthorized use by Defendant of words confusingly similar to the CLAIMSOLUTION trademark is likely to cause confusion or mistake or deception as to the source of Defendant's services and/or sponsorship or authorization of Defendant's services.

35. Defendant knew or should have known that its use of trademarks similar to the CLAIMSOLUTION trademark was likely to damage CS.

36. Defendant has infringed the CLAIMSOLUTION trademark, and has engaged in unfair competition.

37. Defendant's marketing and advertisements using "Claim Solutions" is likely to influence the purchasing decision of the intended audience.

38. Defendant has continued its infringement despite actual notice provided by the letter it received from CS on June 23, 2016 notifying Defendant of the infringement of CS's trademark.

39. Defendant's aforesaid actions constitute common law trademark infringement, and unfair competition in violation of Section 43 of the Lanham Act, 15 U.S.C. § 1125(a).

40. As a proximate result of Defendant's acts as alleged herein, CS has suffered and will continue to suffer damage to its business, goodwill, reputation, and profits, for which CS is entitled to relief.
